

Men's Back Snap Short Sleeve Top-Assorted Colors

Adaptive Back Snap Top for Men

Adaptive style makes for easier dressing for those with limited mobility due to stroke, arthritis, surgery etc.

Nothing needs to be pulled over the head either. Easier dressing for those with ventilators or trachs.

Just tuck shirt under tubes and snap closed.

Arms do not have to be raised or stretched overhead. Sleeves just slip on and the shirt snaps down the back.

Available in assorted masculine colors!

Made proudly in the USA.
